Federal Election Commission Attn: Christopher Whyrick Reperts Analysis Division Washington, DC 20463

ID NUMBER: C00495820 – Ron Paul 2012 Presidential Campaign Committee, Inc.

REFERENCE: AMENDED YEAR-END REPORT (10/01/2011 – 12/31/2011) RECEIVED 02/20/2012

Dear Mr. Whyrick:

This letter is a response to your letter to the Ron Paul 2012 Presidential Campaign Committee, Inc. dated March 14, 2012.

Item #1 – in response to Schedule A-P disclosing contributors that appear to be exceeding the contribution limit allowed. The Campaign has refunded, and/or reattributed the excess contributions reported by the contributors listed in the letter. Copies of refund checks, credits and reattribution requests have been sent to the Commission by Federal Express delivery. The contributions listed from Kenneth Biehl are actually from two different people (father and adult son) with two different addresses. One resides at N Circulo Zagala and the other at East Fox Circle.

Item #2 – Schedule A-P disclosure of contributions from individuals with mailing addresses outside of the United States of America. The Campaign makes every effort to confirm citizenship of any donor submitting a foreign address. All donors contributing through the campaign's website, must confirm their citizenship status online. Contributions received by donors submitting a foreign address through the mail are contacted to confirm their U.S. citizenship by mail, phone or email. It is accounting policy to place in the comment field below the donation on Schedule A the term "U.S. Citizen Living Abroad" to denote this confirmation. The amended report filed on April 18, 2012 now shows that statement along with the applicable donation for those confirmed. One refund was issued to David Culbertson and a copy of his credit card return is enclosed. Susan Westfall's record containing a foreign address was incorrect. Her records have been updated to disclose her Bath, ME address.

Item #3 – Schedule A-P disclosure of contributions from organizations that are political committees not registered with the Commission. The Campaign has received confirmation from both the Committee to elect Glen A. Bradley and the Ken Clark Campaign that the funds used to donate to the Ron Paul 2012 Presidential Campaign Committee, Inc. were obtained within the rules and regulations of the Federal Election Campaign Act.

Item #4 – Schedule B – The in-kind contribution from Liberty PAC received on 5/2/2011 now appears in the amended second quarter report filed with the Commission on April 18, 2012. It was unintentionally left off the original filing and first amendment.

Item #5 — Amended October Quarterly Report and Amended 2011 Year-End Report increase in receipts and disbursements.

The increase in receipts of \$1,700.00 and increase in disbursements of \$1,700.00 on the 2011 October Quarterly Amended Report consists of seven in-kind contributions that were inadvertently left off the original filing.

The increase in receipts of \$500,000.00 on the 2011 Amended Year-End Report is a committee transfer from the Committee to Re-Elect Ron Paul that was inadvertently left off of the original filing. The amended report was filed to properly report this transfer.

The increase in disbursements of \$5,649.65 on the 2011 Amended Year End Report is the net effect of corrections made regarding expenses. All expenses requiring to be itemized now show on the amended filing.

Please let me know if any additional information is needed.

Sincerely,

Sou Oylatt
Lori Pyeatt
Treasurer
